Katniss...

He looks ~~even~~
worse than before.

Why?
We've gotten
everyone away...

huff

huff

huff

I can't believe this...

That a person of all things could mutate into such an existence without even being a contamination...

Don't get
too stuck on
coloration

Didem, do you
know what's happening
to that person?

one life...

is equivalent
to one world.

The power that
controls countless
multiverses... does
not have a defined
value.

Happens,
subsides, rises, disappears,
it is based on the size
of the world.

A person's
power affects one
to manipulate
their mind.

One's imagination
can manipulate
reality, and that
controls the future.

The reason why someone
couldn't control one's
imagination is because
it is required for the
creation of the world.

However, someone
and things of this...

We chose to give
people "choices." Although
someone restricts, but they
would never feel like they
to do anything like that.

That is nothing,
but a mind of the
conscious mind that
can manipulate
the world...

that attract evilest forces
you to kill people as well...

who could've done
something like this?

possibles
shouldn't have
such powers.

it should only be a
kyrias who uses a
dragon's power or...

turns

remains
the same as
before.

...

could madam-murak still be on this planet...?!

...

So you're
saying...

It's possible for
me to see...

"Purification".

W-wait!!

Lady Death!!!

please think
about yourself! there's
a limit to how concerned
you should be!

do you know how
much "life" you lose
each time you use it?

it's only because you
are the stupid that you
do not get it.

but when you
become alone in the
future

why am i worried
about this human?

i don't care if
she dies or not...

if one life
is equivalent to
one world,

then saving
one life is the
same as saving
one world

WANT A FREE COPY?

When I was human,

I've also killed
my own brother.

I like the
sound of that.

Want
to
know
more?

Finally, I want to tell the dragons, too.

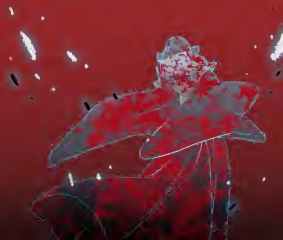

no...

Eden?

Note: Gender-sect person's used here
I never wanted her to die.

I could not hold it in.

I couldn't hold back the foolishness
that felt like it would burst out of me.

because "every one of them" was the same...

to.

Ritsuka,

You can
Bitch Kirby

Is everything
the same
as when I was
a child?

Your father
will be fine.

no wait
for me in a
safe place.

okay?

That woman!

She was here
as well?!

I've led that
child to safety..

yep, I'm just
bored by the
golden state

MURMUR

MURMUR

that I cannot let
the dragon or ogre
be, no matter what

There's no way I'd
ever admit failure

It's just because
she's the dragon, and
there's more

WHOOSH-

Like home?

TURN

I'll clean the
corrupted minds that
caused this person to
revert.

CR-

USH

Don't forget
that when
you can't

you can only
use "purify"

when Loos Kusak
has a clear state
of mind

Is... is
that so?

Yes!!
